

Qualifications Statement: Design/Build Delivery of Roof Replacement to Existing LaSalle County Regional Detention Center (“Project”)

Owner: LaSalle County Public Facilities Corporation (hereinafter “PFC”)

Instructions: Please answer the questions set forth herein as completely as possible. You may use additional pages where necessary to fully answer. As used herein the terms “Design/Build Firm” and “Firm” refer to an offeror who seeks to design and construct the Project whether as a single business unit or as part of a team.

1. Identification of Offeror or Offeror Team (include lead contact person, address, telephone number(s), fax number(s), email address(es)).

2. If your firm will provide directly all of the required services, please answer the following for your firm. If your firm is proposing to provide the services as part of a team under your firm’s control, please answer the following questions both for your firm and each team member (add additional pages as necessary):

- (a) form of business;
- (b) if a corporation, limited partnership or limited liability company—state of creation;
- (c) a brief biography of the key officers and their experience

3. Identify the design professionals (architects and engineers) who will be working on the Project, their qualifications, and provide a copy of their license to practice in the State of Texas (add additional pages where necessary):

4. Do you certify that each design professional you intend to use for this Project was selected based on demonstrated competence and qualifications in accordance with Section 2254.004, *Government Code*. (check one)

Yes No

5. Please identify any special certifications, degrees, or professional designations held by each design professional you propose to use for the Project.

6. Please describe the experience of your firm and of your team members in designing and/or constructing county jails and detention facilities, or the roofing components thereof (add additional pages as necessary) (at least three (3) projects):

7. Please describe the experience of your firm and of your team in designing and/or constructing metal roof systems covering 50,000 square feet or more (add additional pages as necessary) (at least three (3) projects):

8. For each project identified in 6-7 above, please provide contact information. For each person identified provide an address and telephone number at which they can be reached (add additional pages as necessary):

9. In the last 10 years has your firm or any team member of your firm been involved in litigation with a government unit or agency relating to the design or construction of a project?

Yes No

If "Yes", please explain in detail.

10. In the last 10 years, has your firm or any member of your firm's team had a professional license suspended or revoked?

Yes No

If "Yes", please explain in detail.

11. In the last 10 years has your firm or any team member of your firm been debarred from providing services on government contracts by any state or federal agency?

Yes No

If "Yes", please explain in detail.

12. Please list at least five (5) references (include contact, telephone number, address).

13. Does your firm/team have the capability and available resources to perform the design work on an expedited basis while maintaining assurance of quality and professional competence?

Yes No

If "Yes", please explain in detail.

14. Does your firm have the financial capability and available resources to construct this Project in a timely and professional manner?

Yes No

If "Yes", please explain in detail.

15. Can your firm meet the bonding and insurance requirements set forth in the Additional Design Criteria Package?

Yes No

If "Yes", please explain in detail.

16. In the last 10 years, has a bonding company had to step in and complete a Project for which your firm was responsible for construction?

Yes No

If "Yes", please explain in detail.

17. Identify any Projects during the last five (5) years for which you have failed to meet deadlines for substantial or final completion, and explain the reasons for such failure.

18. Identify any Projects during the last five (5) years for which you have had to pay liquidated damages.

19. During the last three (3) years has your firm been adjudged insolvent or made an assignment of assets for the benefit of creditors?

Yes No

If "Yes", please explain in detail.

20. Does any member of the LaSalle County Commissioners Court, or any elected official of LaSalle County have an ownership interest in your firm or a team member of your firm?

Yes No

If "Yes", please explain in detail.

Evaluation Criteria

Qualification Statements will be reviewed, and the offerors ranked according to the evaluation criteria below. Based on this ranking, up to five finalists will be selected to provide additional information in the next step of the process.

| <u>Criteria</u> | <u>Maximum Score</u> | <u>Weight</u> |
|---|----------------------|---------------|
| Technical competence and qualifications of design professionals | 10 | X 3.50 |
| Experience of firm in the design and construction of roofing systems including, correctional center roofs, large area roofing projects, and projects similar to the Project | 10 | X 3.50 |
| Past performance on similar projects | 10 | X 3.00 |
| Overall capability to perform project, including financial, bonding, insurance and subcontractor resources | 10 | X 2.00 |

Each offeror's actual score (10 being highest and 1 being lowest) is multiplied by the applicable weighting factor to arrive at the offeror's score for a criteria. The sums for the criteria are added to arrive at the offeror's total score for ranking purposes.
