

**APPLICATION FOR PERMIT AUTHORIZING INSTALLATION OF
CATTLEGUARD ON A COUNTY ROAD RIGHT-OF-WAY**

Cattle Guard Installation Requirements:

- 1.) No cattle guard may be installed in a county maintained road without:
 - a. Submission of this Permit Application
 - b. Payment of Permit Fee of \$500.00.
 - c. Submission for review and approval of design specifications of any cattleguard design other than the county standard specification,
 - d. Receipt of approval by County Engineer for installation.
 - e. Payment of Installation fees.
 - f. Receipt of the express written consent of the LaSalle County Commissioners Court.
- 2.) The Property Owner shall be responsible for all costs of installation and all costs associated with the maintenance of the proposed cattle guard.
- 3.) The Cattle guard shall be designed and constructed to meet or exceed the requirements of the LaSalle County Cattle Guard Specifications. Any cattle guard that does not comply with the LaSalle County cattle guard specifications may be removed and the cost of removal charged to the property owner, pursuant to §251.0096, Texas Transportation Code.
- 4.) The Property Owner shall, if necessary, prior to installation of the cattle guard, and only with the advice and consent of the County Commissioner in whose precinct the cattle guard is to be constructed, also construct and maintain an all-weather detour which shall insure that the County Road remains open at all times during the installation of the cattle guard.
- 5.) Cattle guard shall be designed and constructed so that no rainwater drainage passes through the cattle guard.
- 6.) Proposed Cattle Guard Location

County Road: _____

Description of Location on said road:

By signing below, property owner agrees to abide by the terms and conditions set forth above. Property owner agrees and understands that non-compliance with this agreement may result in the removal of the cattle guard at the Property Owner's expense.

Agreed:

Property Owner

Date

By signing below, LaSalle County certifies that the cattle guard was constructed in accordance with the LaSalle County Cattle Guard Specifications.
